

Driving Directions to TM Technologies

17167 Salmon Mine Rd., N. San Juan, CA 530-292-3506 or 292-3500

FROM SACRAMENTO

Take I-80 to Auburn. At Auburn take Hwy. 49 to Nevada City. At Nevada City (you will still be on Hwy 49) go past the "Broad Street" exit and Turn LEFT at the next intersection. The sign will say "Highway 49 to Downieville."

FROM RENO

Take I-80 to Hwy 20 to Nevada City. At the intersection BEFORE Nevada City, you will turn right onto "Hwy. 49 to Downieville."

FROM NEVADA CITY

1) At the Hwy 49 & Hwy 20 intersection, take Hwy 49 towards Downieville. Proceed for about 12 miles on this road.

At about the mid-way point you will wind down to the Yuba River Bridge, and then wind up the opposite side of the canyon. About 5-6 miles after the bridge watch for Milhouse Feed & Ranch (on the right), and just beyond that the large green highway sign on the right that says "Malakoff Diggins State Park."

2) Turn right after the "Malakoff Diggins State Park" sign onto Tyler Foote Road.

3) Go approximately 5 miles on Tyler Foote Rd. to Sages Rd.

You will be about two miles away from Sages Road when you pass a small fire station and small country market called *Mother Truckers* on your left. You will be about a 1/2 mile away when you pass *Ananda Village* on your left. Slow down and watch for a large dirt road on the left with a big green sign that says "Hilkey Construction." This is Sages Road. (If you pass the Sierra Family Medical Center on the right you've gone too far. Go back about 1/4 mile).

4) Turn left on Sages Road. Continue to Salmon Mine Rd. TM Technologies is 17167 Salmon Mine Rd.

Drive up Sages Road about 1/2 mile. Stay left at the first fork in the road, stay right at the second fork (follow green road signs that say Salmon Mine). You will pass a large industrial compound on the right. Immediately after passing that building, turn right into the driveway numbered 17167. Continue down the driveway to our main entrance. Park where ever you find a spot!
